3. EMPLOYMENT:

A. CURRENT EMPLOYMENT

I have worked as a Fencing coach since September 1994 and was involved with development in the region. For almost 20 years I have also been doing freelance translation/linguist work. Having studied for the necessary additional qualifications, including the Diploma in Translation (IOL), I am a full Member of the Chartered Institute of Linguists. I have now extensive commercial translation experience and have translated for national and international bodies including work used for the European leaders' summit 2000 in Biarritz and for the Fédération Internationale d'Esime (Fencing world governing body), for whose quarterly review I translated both to and from French. Translations have included many for internationally known businesses such as Renault, Lamberet, Peugeot, La Poste, Salomon, Barclays Bank and Kidde Fire, among others. My main language combination is French to English with German, Spanish and Italian available for limited purposes. My German is around "A" Level standard although I only have a qualification of GCSE "A". (See my translation page for details of what I offer in these languages) My areas of expertise include technical, commercial, tourism, sport and some legal work – conveyancing, commercial contracts, invitations to tender, etc. I work with Trados and also have some experience of Logoport and Wordfast.

B. TEACHING EXPERIENCE

I was a teacher of Modern Languages for 29 years, being appointed to my last post at The Kingswinford School, Grant Maintained (Dudley M.B.C.) in April 1974, as Head of French Department. In Sept.'75 I was appointed to the post of Head of Year, administering both the department and Pastoral care. I taught both French and German and developed a Spanish BTEC Modular course.

First teaching post: Sept. 1965 - April 1974 was at Crompton House C. E. Secondary, Shaw, formerly under Lancashire Education Committee. I began by teaching French with various other subjects before being in sole charge of French and was in charge of careers advice.

In both posts I took charge of many holiday trips, including ski-ing courses, in France, Switzerland, Austria, Spain and Italy and of exchange visits in both France and Germany, (see also below) giving me wide cultural and geographic experience.

C. OTHER EMPLOYMENT EXPERIENCE:

I had a variety of vacation jobs, mainly manual including postal delivery, and 3 periods of clerical work in the offices of HM Inspector of Taxes. I also spent three summers working in a French "Colonie d'Adolescents" following a training course and "Livret d'Aptitude de Moniteur" qualification. I taught Spanish in evening classes from 1969 to 1973. I did some in-house language training after leaving full time teaching. As part of my fencing, I work for British Fencing, running courses for and assessing both trainee and more experienced coaches.

4. LEISURE ACTIVITIES:

I have participated in many sports, including Soccer, Ski-ing, Badminton and Fencing. Since living in the Midlands I have been active in organising Fencing, having held a variety of club, county, regional & national veterans offices over some 40+ years and am a member of the England Veteran Fencing committee. I have been a member of the Great Britain Veteran's Fencing team and frequently take part in European and World Veterans Championships, being both European & World Champion in my age group in 2003, World bronze medallist 2008, 2015 and European champion in 2015 and European bronze medallist 2017. I still compete in open events. I have also been involved in the wider interests of sport, serving on the local Sports Council 1977-96 having been its Treasurer, Chairman and Vice-Chairman. Other interests include travel. I often visit France and have travelled widely, especially in Europe – some 21 countries - through fencing, in particular, in recent years. I love learning languages, have, through my travels, acquired a basic knowledge of many in addition to those mentioned above, including Dutch, Portuguese, Hungarian and Finnish and have recently done taster courses of both Russian and Cantonese.
